Dear Club Members:

---

The SWSC held its AGM on April 13. For those of you who participated thank you. At the meeting, the membership rates for 2020 were discussed and set. It was decided to leave the rates for 2020 the same as last year. This means there have been no increases in the rates for the past 3 years, including 2020.

The following are the membership rates for 2020:

	Season	Monthly
Student	\$700	\$350
Adult	\$1,300	\$650
Family	\$1,950	\$975

Tow rates will remain the same at \$10.00 per tow.

We have been working with the Provincial and City representatives regarding the impact of COVID-19 will have on our season. At this point we are expecting to open as normal the beginning of the June. There will however be some restrictions our operational plan is being finalized. In order for the club to open we are required to follow a COVID-19 safety plan. The plan has been submitted to the City for review / approval. Once it has been approved by the City we will have distributed to the members.

There is a change in the registration process for this year. You no longer obtain your provincial registration from Water Ski and Wakeboard Saskatchewan. You **now must** obtain your Provincial registration from Water Ski and Wakeboard Canada. You will need to visit <https://can.wsconnect.io/join/> or the WSWC web site and follow the step by step instructions. At the end of this process you will be given a registration number. If you register as a family each member of your family will be given a number. These WSWC number(s) are required to complete your SWSC registration.

At the end of this registration process you will be provided with confirmation of registration. We ask that you print this confirmation and provide a copy of it to the club. You can bring it with you the first time you ski. Confirmation of registration is required, **YOU WILL NOT** be allowed to ski without proof of registration (insurance requirements).

Also, as part of the above registration you will be required to fill out the appropriate waiver form online, so there will be no need to fill out a paper copy.

We are also no longer using KARELO for registration and payment purposes as this has been replaced with the WScconnect platform. Payments will now be accepted by e-transfer directly from your bank. You can use the [swsclub@outlook.com](mailto:swsclub@outlook.com) email address to send the funds. I suggest you use the question "What city does swsc operate?" with the answer "Saskatoon". If you having any difficulties or require assistance with this process please contact Stephen Pillipow at 306.222.4061.

**Due to COVID-19 restrictions, we would prefer to receive funds electronically and will not be accepting payment at the site in 2020.**

Registration Link: <https://forms.gle/FdHnHHmc63mPmUEA6> OR visit [www.SaskatoonWaterSkiClub.com](http://www.SaskatoonWaterSkiClub.com) and follow the instructions.

We have created an online registration form. Please follow the instructions and have the form fully completed.

I appreciate your support and patience as we adjust to our new operating reality in 2020 and look forward to seeing you on the water (at a distance)!
